VOTE OF THANKS & CLOSING PRAYER

Pastor Peggy Ovat

Founded in 2022, the GLAM & FIRE Initiative is a faith-based organization focused on ensuring that women and girls live a life of dignity as desired by God for them.

Our vision is to see women and girls who are fearlessly pursuing their God-given purpose, maximizing their gifts, talents, and potential, confidently in their IDENTITY IN CHRIST!

We do this through targeted trainings, mentorship programs, livelihood/entrepreneurship support, psychosocial support, life-building conferences and periodic interventions.

In the last 4 years we have

- Empowered over 60 women with micro-business grants.
- Provided foodstuff to over 500 families through the women.
- Provided menstrual hygiene products for over 800 girls.
- Trained over 1,000 girls on building a positive body image and healthy self-esteem.
- Supported over 600 ladies with fashion items and free medical care.
- Inaugurated 5 Ladies Impact Hubs with each hub having 20 members across 3 states: Lagos, Oyo, and Edo.
- And 4 more girls impact hubs to be inaugurated in the coming weeks

In the next 5 years, we plan to

- Set up Impact Hubs across 3 nations, where we support them to have Bible study, prayer sessions as well as discuss issues that affect them, they will also be trained on reporting cases of sexual abuse and any form of violence.
 - They will serve as support system for each other, encouraging one another to stay the course
 - Train 2,000 women on gender-based violence, identifying and tackling identity crisis as well as soaring in destiny.
 - Organize wellness retreats and seminars.
 - Host the Glam & Fire conferences across different nations.
 - Set up a shelter for women and girls where they'll go through strict mentorship programs, entrepreneurship and employability trainings, skill acquisition with start-up funds. The shelter will also be a safe space for them to discuss issues affecting them.
- 
- Empower 10,000 women and girls. Further expand on our achievements over the last two years.
- We intend to achieve this through
- sustainable partnerships with government, private-sector organizations and well-meaning individuals.
- We call on you to support us with
- your prayers, networks and money.

Thank you.

WOMEN & GIRLS OUT REACH

GOODWILL MESSAGE

Dear Beloved Sisters in Christ,

As you gather for the Glam & Fire Conference 5.0, I am filled with joy and anticipation. This event promises to be a time of spiritual renewal, empowerment, and a beautiful celebration of our faith and sisterhood.

In the midst of our busy lives, it's easy to get caught up in the hustle and bustle of the world. However, this conference provides a precious opportunity to pause, reflect, and connect with God and one another. It is a time to embrace our true selves, to let our inner fire for Christ burn brightly, and to shine with the glamor of His love.

Let us come together with open hearts, ready to receive the wisdom and inspiration that will be shared during this event. May we leave with our spirits lifted, our faith deepened, and our resolve strengthened to face the challenges of life with grace and courage.

Remember that you are a beloved daughter of the Most High, and your presence at this conference is a testament to your commitment to your faith journey. So, let's embrace this opportunity to encourage, uplift, and support one another as we walk the path of faith. I am especially thrilled about this year's theme: KINGDOM WOMAN, BUILD TO PATTERN; i believe you will be tremendously blessed.

I believe you should look forward to the fellowship, worship, learning and the inspiration that awaits you. Please celebrate your unity in Christ and the unique gifts and talents that each one of you brings.

May the Glam and Fire Conference 5.0 be a transformative and unforgettable experience for you all. Let's light up the world with the love of Christ, and may the flame within us never dim.
